

NATIONALLY RECOGNISED
TRAINING

AUR20218 - Certificate II in Automotive Air Conditioning Technology

RTO Name

Allora College

Vector Institute of Technology Pty. Ltd T/A Allora College

Course Name:

**Certificate II in Automotive Air Conditioning
Technology**

VET National Code:

AUR20218

ABN: 11 605 051 563

RTO No: 41249

Version 3.1 April 2020

Delivery Method & Course Duration

Workplace based	1 year (subject to employment status)
Blended	3 months—12 months

WHAT IS THE QUALIFICATION ABOUT?

This qualification reflects the role of individuals who perform a range of tasks relating to servicing and repairing air conditioning components and systems of cars and heavy vehicles in an automotive service and repair business.

The completion of this qualification enables an individual to apply for an *AAC02 - Refrigerant handling licence - qualified persons* (Automotive air conditioning licence: 2 years).

COURSE ENTRY REQUIREMENT

Qualification Entry Requirements

There are no entry requirements for this qualification.

Allora College Entry Requirements

- Students require a completed Year 10 or equivalent; or Non school-leavers are selected according to eligibility and merit, vocational experience, previous study and personal competencies.
- Allora college will conduct a Language, Literacy and Numeracy (LLN) assessment before enrolment to assess the language, literacy and numeracy skill level for prospective students. There is no need to be discouraged about this as the LLN is a great tool to allow us to identify any extra support you may require.
- Students will need to obtain an ArcTick Trainee License before handling any refrigerant. This may involve cost to the student.

*Refer to <https://www.arctick.org/refrigerant-handling-licence/trainee-licences/>
