WHAT IS THE QUALIFICATION ABOUT?

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care ser- vices in Australia. They support children's wellbeing and development in the context of an approved learning framework. Educators use a range of well-developed skills and knowledge using discretion and judgment when carrying out their work in the context of established policies and procedures. On successful completion, graduates will be qualified to take on leadership and supervisory roles in ACECQA-approved early childhood settings, including long day care, family day care, kindergartens, and preschool programs, ensuring delivery of high-quality education and care services consistent with national and state legislation.

DELIVERY AND ASSESSMENT

1. Blended with both Classroom/O n l i n e
2 .Workplace based sessions
3. Simulation
4. Self –paced/ Distance

Assessments will be conducted through a combination of methods. These may include but are not limited to Demonstration/Simulation, Practical Activities, Project Work/ Case study, Third Party Feedback, Oral/Written and/or Questions. Both knowledge assessment and practical placement are required to be completed with a competent outcome of each unit to achieve your certificate.

PRACTICAL PLACEMENT

As part of the CHC50125 Diploma of Early Childhood Education and Care, students are required to complete a mandatory vocational work placement.

This placement provides the opportunity to apply theoretical knowledge in a regulated early childhood setting, demonstrating practical skills, professional conduct, and competence consistent with the Education and Care Services National Regulations and the National Quality Standard (NQS).

During placement, students experience real workplace conditions, expectations, and routines. This enables them to develop both industry-specific skills and broader employability skills, including teamwork, communication, and time management.

Students must hold a valid Working with Children Check (Blue Card) prior to commencing placement.

Allora College will confirm the suitability of the host service to ensure it provides appropriate supervision, resources, and opportunities to meet assessment and training requirements. While students are responsible for arranging their own vocational placement, Allora College will provide guidance and maintain a list of approved early childhood services to assist students who are unable to secure a suitable placement independently.

Throughout the placement, Allora College trainers and assessors will maintain contact with the student and the service to monitor progress, ensure compliance, and support the achievement of learning outcomes.

Required Work Placement hours:

CHC50121- Diploma of Early Childhood Education and Care 280 hrs (minimum) (At least 140 hours of which are recommended to be completed working with Babies & Toddlers)

The required work placement hours can be completed over a period agreed with your service,
